

A productive space-saving solution

An All-in-One desktop built to perform for enterprise

The new ThinkCentre® M700z delivers everything you need to drive productivity for your business. What's more this space-saving All-in-One is as tough as it is powerful. Featuring the latest Intel® processor, the sleek 20" All-in-One has been MIL-SPEC tested meaning it can withstand even the most challenging of environments, while more than 30% thinner than the last generation. Designed for convenience and productivity, the solution offers a wide-viewing angle display, integrated handle for easy mobility and a choice of stands to suit you and your environment.

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® M700z ALL-IN-ONE

Rugged and reliable

Tested to MIL-SPEC, this powerful All-in-One desktop is built to withstand rugged and harsh environments, meaning you can carry out even the most mission-critical tasks.

Sophisticated design

The space-efficient All-in-One is over 30% thinner than the previous generation. Furthermore, choose between several stands including a height adjustable stand that adapts to you.

A crystal clear display

A wide-viewing angle display with anti-glare technology gives you a crisp, clear display at any angle!

Primed for performance

The latest Intel® Skylake processor and DDR4 technology delivers powerful enterprise performance.

THE LENOVO™ THINKCENTRE® M700z ALL-IN-ONE IS BEST SUITED FOR

1

Businesses that require powerful performance in a space-saving solution.

2

Businesses that want an All-in-One solution with convenient features to drive productivity.

3

Businesses that need a durable All-in-One to perform in the most challenging environments.

WHAT'S IN A THINKCENTRE®

① The highest % of recycled materials

② Intelligent Cooling Engine (ICE)

③ US MIL-STD 810-G tested

④ Gold plated pins¹ for signal quality

¹ CPU Socket is not included.
