

Sleek and powerful

Rugged, space-saving All-in-One desktop that drives productivity

The new ThinkCentre® M800z is both tough and powerful. Powered by the latest Intel® processor, the sleek 21,5" All-in-One is more rugged and durable than ever - tested to MIL-SPEC for reliability even in the most challenging environments, whilst more than 30% thinner than the last generation. The Full HD display combines anti-glare technology, a wide-viewing angle and touch availability. Designed for convenience and productivity, the solution features an integrated handle for easy mobility with versatile stands to suit you and your environment.

WHY YOU SHOULD BUY THE LENOVO™ THINKCENTRE® M800z ALL-IN-ONE

Rugged and reliable

Tested to MIL-SPEC, this powerful All-in-One desktop is built to withstand rugged and harsh environments, meaning you can carry out even the most mission-critical tasks.

Sophisticated design

The space-efficient All-in-One is over 30% thinner than the previous generation. Furthermore, choose between several stands including the versatile Ultra Flex II stand that lets you position your display at any angle!

A crystal clear display

A 21,5" Full HD wide-viewing angle display with anti-glare technology gives you a crisp,

Primed for performance

The latest Intel® Skylake processor and DDR4 technology delivers powerful enterprise performance.

THE LENOVO™ THINKCENTRE® M800z ALL-IN-ONE IS BEST SUITED FOR

1 | Businesses that require powerful performance and the latest technology in a space-saving solution.

2 | Businesses that want a crystal clear display with convenient features to drive productivity.

3 | Businesses that need a durable All-in-One to perform in the most challenging environments.
