

Lenovo™ ThinkPad T470p

SEIZE THE DAY, AND THE NIGHT

Built to perform, durable and great value – ThinkPad T470p boosts your productivity all day, every day.

The ThinkPad T470p gives you enterprise performance at a business-friendly price. As well as smooth processing, great graphics, and an all-day battery, it has a host of easy-to-use and manage productivity-enhancing features as standard. This 14" MIL-SPEC laptop also comes with the legendary ThinkPad reliability and worldwide support.

WHY YOU SHOULD BUY THE LENOVO™ THINKPAD T470P

Tested for Battle, Built for Success

Tested against 12 military-grade requirements and passing over 200 quality checks, your ThinkPad T470p is engineered to survive the bumps and bruises of life.

Performance You Can Count On

With responsive, efficient 7th generation Intel® Core™ processors, you can switch effortlessly between your favorite apps – increasing your productivity and enjoyment.

User-Friendly, Business-Friendly

Easy to set up and roll out, the T470p is quick to service, upgrade, and secure. From an everyday user to an IT technician, these business laptops make life (and work) easier for everyone.

Forgotten Password? Don't Sweat It, Just Touch Your Finger

With Windows Hello's Biometric fingerprint technology, there's no need to remember a password. Simply touch the scanner to log in, quickly and securely.

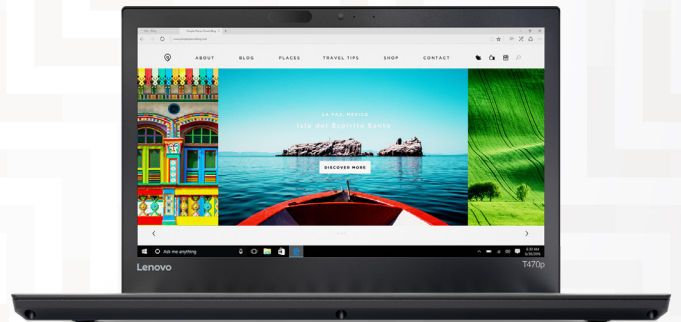

Stay Connected, Even When You're Not

With super-fast LTE-A (4G) connectivity, the T470p gives you prompt access to all your cloud data and apps—even if you are out of WiFi range.

Look Sharp, Sound Sharper

The T470p has an HD web camera and dual array microphones (with background noise reduction) as standard—ideal for whether you're on a call in a busy open-plan office or a bustling coffee shop.

WHO NEEDS THE LENOVO™ THINKPAD T470P?

1 Highly productive professionals who need the latest technology, fully equipped for specialized uses – such as graphic design and CAD (computer-assisted design).

2 Solutions-focused users who recognise the performance benefits of great graphics and smooth processing – and also demand long-term value.

3 Multi tasking professionals who expect enterprise standard performance – combined with a highly durable design, built to withstand the rigours of using your T470p while commuting.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT⁵

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES—ON-SITE AND NEXT BUSINESS DAY⁶

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS⁶

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION⁵

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

LENOVO PREMIER SUPPORT⁵

Provides a dedicated local based advanced troubleshooting and end-to-end case management.
