CUSTOMIZE TO YOUR NEEDS

Lenovo's flexible warranty options are designed to fit the varying needs within an organization. Match service coverage duration with the expected lifecycle of your PCs.

OFFER DETAILS

- ▶ **Warranty Extensions** are available for periods of up to five years (depending on system) providing a fixed-term, fixed-cost service solution that allows accurate budgeting for equipment expenses.
- ▶ **Warranty Upgrades** enable customers to vary response time and level of service to match critical support needs.

These options can be selected at the time of purchase or within the term of initial base warranty coverage. Depending on the initial base warranty of the system, service plans are available with the following service levels:

REPAIR AT LENOVO'S LOCATION

- ▶ **Mail-in** – Parts and labor repair coverage, where the customer is responsible for shipping (including packaging) to authorized warranty provider or repair center¹.
- ▶ **Carry-in** – Parts and labor repair coverage, where the customer is responsible for delivery to authorized warranty provider or repair center¹.
- ▶ **Depot** – Parts and labor repair coverage, where shipping (including packaging) or delivery to the repair center is paid for by Lenovo™.
- ▶ **Expedited Depot³** – Parts and labor coverage with expedited turnaround. Shipping (including packaging) or delivery to the repair center is paid for by Lenovo™.

REPAIR AT CUSTOMER'S LOCATION

- ▶ **On-site** – Parts and labor repair coverage, where labor is provided on-site at the customer's place of business or home. If Lenovo™ determines your product problem is covered by the product warranty and cannot be resolved over the telephone, a technician will be dispatched to arrive on-site, typically the next day².
- ▶ **On-site + Technical Install CRU (Customer Replaceable Unit parts)** – With a base warranty, installation of self-service CRUs is typically the customer's responsibility, however with technician-installed CRU service Lenovo's on-site service includes installation of all needed CRUs².

OTHER WARRANTY UPGRADES

- ▶ **Premier Support** – Lenovo™ Premier Support connects your organization directly with Lenovo's advanced technicians, who will provide hardware and software support with unscripted trouble-shooting, end-to-end case and relationship management, and prioritized parts and labor response when required.
- ▶ **International Service Entitlement** – The international service entitlement upgrade is purchased in addition to one or more applicable optional services that extends coverage to outside of the user's home country. International service entitlement upgrades are applicable to the following Lenovo™ services: Sealed Battery Warranty, Keep Your Drive, Accidental Damage Protection. The service level will be provided at the same level as the user's home country or closest service level available in the outside country.
