

# EXCEPTIONALLY THIN. EXTREMELY POWERFUL.

Lenovo

It's thinner, lighter, and more secure – everything you need in a productivity powerhouse. The ThinkPad X1 Yoga Gen 4 brings you ultimate flexibility with a 360° hinge and built-in premium security with the ThinkShield suite from Lenovo.

The Dolby® Vision™ panel offers exceptional viewing clarity while the Dolby® Atmos™ speaker system offers a crystal-clear audio experience. The ThinkPad X1 Yoga Gen 4 is ultra-slim, ultra-light, and ultra-powerful, making mobility effortless.

**ThinkPad**® X1 YOGA (GEN 4)

## ThinkPad X1 YOGA (GEN 4)

### ITDM Benefits

#### Productivity

The ThinkPad X1 Yoga supports all kinds of docking solutions including the side mechanical docks, making it effortless to connect with multiple peripherals and multitask with ease.

#### Security

From manufacturing through its lifetime, the ThinkPad X1 Yoga is covered with rock-solid security features of the ThinkShield suite. With the hardwired security and privacy features, business data remains secure at all times.

#### Portability

Weighing only 2.99lbs. (1.35kg), this 15.5mm sleek form factor offers ultimate portability, no matter where work takes you.

**Premium Design and Performance:** the new ThinkPad X1 Yoga is 11% thinner and has a 17% smaller footprint. Its premium CNC aluminum chassis makes it highly durable while its 360° hinge allows you to change modes – laptop, tablet, tent, stand – to suit your work style. Powered by the latest Intel® processors, LPDDR3 memory, and PCIe SSD storage, you can experience amazing responsiveness for improved productivity.

**Efficiency Redefined:** power through the most demanding work with up to 18.1 hours\* of battery life and RapidCharge technology. Expand your device capabilities with versatile connectivity options such as the USB 3.1 Gen1 and Thunderbolt™ ports allowing you to be productive anywhere. Also compatible with a side mechanical dock, this premium 2-in-1 comes with an integrated pen for enhanced creativity.

**Advanced Security:** the X1 Yoga comes built-in with the ThinkShield suite of security solutions that include the dTPM 2.0 chip, ThinkPad PrivacyAlert, ThinkPad PrivacyGuard\*\*, Match on Chip Touch Fingerprint Reader, and the hybrid HD and IR camera with the ThinkShutter camera cover – offering overall device security.

**Stunning Audiovisual Experience:** the best-in-class Dolby® Vision™ display with 4K HDR400 UHD IPS technology and 500nits brightness offers impressive visual clarity. You can also enjoy an exceptional audio experience with the Dolby® Atmos™ speaker system.

## Optional Accessories

### ThinkPad Ultra Dock

(PN:40AJ0135XX)

The ThinkPad Ultra Docking Station is built for today's demanding office work, delivering 10Gbps data transfer through four USB 3.1 ports. The innovative side connector, designed exclusively for ThinkPad notebooks, provides a driver-free way to connect conveniently and securely to a range of USB accessories and external displays. Its rapid charging support and mirrored power button make it easy to unlock and go.

### ThinkPad X1 Wireless Touch Mouse

(PN: 4X30K40903)

The ThinkPad X1 Wireless Touch Mouse is thin, light, and tough. This dual-mode travel mouse can be conveniently stored in a pocket or bag while you are on the go. The X1 Mouse is optimized for travel and productivity - flip the mouse over to use the integrated touchpad presenter and navigate through slides with full control.

### ThinkPad X1 Yoga Sleeve

(PN: N/A)

Designed for mobile users who value a lightweight and functional case, the ThinkPad X1 Yoga Sleeve offers uncompromised quality. Composed of premium materials, this sleeve has a soft-touch interior and an easy-to-open magnetic flap. It also houses an additional pen loop, enabling you to store an extra pen or stylus.

## RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your ThinkPad investment—so you can focus on your work, not your IT.

Premier Support  
Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Accidental Damage Protection (ADP)  
Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Warranty Extension (1-year base, up to 3 years total)  
This fixed-term, fixed-cost service helps you accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.
