

LENOVO STANDS **APART**

DRIVEN BY A PASSION FOR EXPLORATION AND INNOVATION,
LENOVO™ HELPS COLLEGES AND UNIVERSITIES KEEP PACE
WITH EVOLVING DEMANDS AND DYNAMICS.

Education

Lenovo™

LENOVO TODAY

#1 Global PC Maker

#1 Worldwide Education
Technology Provider

\$45 Billion Fortune
Global 500 Company

SOME THINKPAD® INNOVATIONS

- TrackPoint® pointing device
- ThinkLight® LED keyboard light
- Roll cage design minimizes motherboard flex
- Stainless steel hinges
- Integrated fingerprint reader
- ThinkVantage® Client Security Solution unifies hardware and software security layers
- Unique chassis drain holes designed to quickly move spills away from critical components

EMPOWERING LEARNERS AND LEADERS

As the mission and business model evolve, technology is more critical than ever.

- Everything depends on bringing transformative talent to campus—and making them successful
- Tomorrow's opportunities demand nontraditional skills and outcomes
- Infrastructure must continue to unify, meeting diverse needs with consistent innovation and clear return on investment
- As traditional network perimeters disappear, security and risk countermeasures must grow in complexity

A CULTURE OF CRAFTSMANSHIP

Lenovo dreams, designs, and builds technology differently. Our culture of craftsmanship elevates a portfolio of solutions as comprehensive and complete as the challenges you face.

- Legendary Think brands have delivered award-winning, world-changing product choices for over 30 years
- A new standard in mobile productivity and collaboration, with innovative touch and multimode delivered with unmatched product quality and security
- A relentless passion for unifying style, substance, and security in meaningful ways

GIVING YOU CONFIDENCE IN EVERY CHOICE

Lenovo understands that dependability demands both reliability and security. We make both central to every decision we make.

- Layered ThinkShield security unites physical and cybersecurity protection, including integrated Intel[®] Core[™] processor features
- Tightened security gap with up to 99% fewer common vulnerabilities and exposures than our major competitors
- Reliability earned through a focus on building products MIL-SPEC tough and testing them even tougher than the competition

A PARTNER IN YOUR OUTCOMES

We strive to be more than a provider, collaborating with customers and decision-makers to solve for the opportunities and obstacles driven by new technology choices.

- Dedicated specialists with deep experience in education technology decision-making
- Easy to work with and buy from, with broad availability on state contracts and national vehicles like NASPO and NCPA
- Passionate about a new generation of technology solutions designed to empower breakthrough collaboration and creativity

MOBILITY THAT MATTERS

From the first ThinkPad delivered in 1992, the brand radically transformed what mobile computing and connectivity can do. We continue that dedication to enabling a world on the go, leading the market with groundbreaking formats and features.

Expansive device choices featuring powerful Intel® Core™ processing for high speed and peak performance

Better touch and digital ink experiences for transformational teaching and learning in class, at the lab, or in the community

The perfect mix of style, substance, and ultraportability

THE DESKTOP, EVOLVED

Even as workspaces evolve, desktops continue to play a critical role in higher education. We are consistently reinventing the format, starting with our groundbreaking Tiny desktop PC.

- Space- and power-saving Tiny is bringing new productivity to tight campus administrative spaces and new use cases like digital signage
- Innovative Tiny-in-One makes PC sizing, selection, setup, and maintenance easier than ever
- Robust Intel® Core™ processing that supports large files and complex administrative functions

Education

Lenovo

INTENSITY IN ACTION

From traditional engineering applications to new media and data tools, workstations are a renewed focus for higher education technologists. Lenovo ThinkStation® workstations are designed to keep campuses on the cutting edge of compute-intensive productivity.

- Diverse workstation portfolio, including ultraportable mobile workstations
- Cutting edge performance for advanced analytics and deep machine learning
- Powerful Intel® Core™ processing that supports complex applications
- Complete ISV certification on all major engineering, GIS, and media packages
