Make the everyday easier with Windows 11

Horsepower meets brainpower

Elevate your user experience with smarter and intuitive features, thanks to Lenovo AI Engine+ with AI Core.

Smart Sense

Access seamlessly via the **FHD IR camera** with zero-touch **Smart Login** and start quicker with **Flip-to-Boot** by lifting the display.

Smart Noise Cancelling

Enjoy crystal-clear video calls with amplified 20dB speech and suppressed noise.

Smart Presence Detection

Protect your screen from prying eyes with the TOF (time of flight) sensor.

Color Ambient Light Sensor

Type non-stop with automatic keyboard backlight.

Smart Appearance

Always look good with enhanced lighting, eye gaze correction, and Face Framing.

Smart Security

Your security is ensured with BIOS Self-Healing and the electronic privacy shutter.

Smart Power

Press **Fn+Q** keys to switch between **Extreme Performance**, **Battery Saving**, and **Intelligent** modes.

Lenovo Aware

Remaining focused in front of the computer for long hours can be tiring. **Lenovo Aware** hosts an ecosystem of well-being features that are designed to help you stay healthy, mindful and productive at the same time. With thoughtful features such as **“Attention Reminder,” “Break Reminder,”** as well as distance and posture detection, Lenovo Aware will let you know whenever you need to sit up straight or take a break.

Parents can get a holistic overview of their children’s digital usage through **Lenovo Aware**, which provides a **daily report** with statistics on posture, viewing distance, energy and focus levels.

“Take Time out - Break Reminder”

“You are too close - Distance Reminder”

“Please sit upright - Posture Reminder”

Eye Care Feature

Eye care is self-care

Long study sessions mean increased screen-time and overexposure to harmful blue light. Protect your eyes with **Lenovo Eye Care 2.0**, which adjusts the color temperature to your preference and minimizes blue light to maintain safe and healthy vision.
