

Financial Services

24/7 Portfolio Management Solutions

CustomerFinancing.com

Online Customer Service Available 24/7

CustomerFinancing.com service portal provides you with online access to the information you need to manage your lease contracts.

Self-Service for Your Most Frequent Needs

- Track leased equipment and locations; and request a change of location
- Make payments online
- Identify when we received payments and how we applied them
- Download copies of your own contracts, invoices, payment histories and asset details
- Communicate with our servicing department via email
- Elect to go paperless and receive email notification when your invoices are available online

Lenovo Financial Services provides tools like our service portal to ensure it's easy to do business with us.

Easy to Get Started

You simply need your invoice to complete the CustomerFinancing.com self-registration process at: customerfinancing.com
