

Powerful, affordable space-saver

An All-in-One desktop that's all about business

A perfect All-in-One computer for the bottom-line-conscious business. The affordable, space-saving Lenovo™ S200z, with built-in 19.5" display, delivers productivity, lower power consumption compared to the previous generation, and security features such as Smart USB Protection and Lenovo™ Bluetooth® Lock. For convenience, there's an integrated handle, camera and speaker. Available in a choice of colors – black or white.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ S200z ALL-IN-ONE

Affordable and colorful

This feature-packed 19.5" All-in-One desktop is a real space-saver, available in a choice of black or white to suit your environment.

Space-saving and power-saving

A versatile space-saving All-in-One, S200z also reduces power consumption, which translates into real cost savings.

Safe and secure

Smart USB Protection allows you to restrict port access while allowing keyboard and mouse inputs. Lenovo™ Bluetooth® Lock means your desktop will automatically lock once you step away.

Convenience and productivity

Businesses value the convenient integrated carry handle for easy portability, and camera and speaker.

THE LENOVO™ S200z ALL-IN-ONE IS BEST SUITED FOR

1 Budget-conscious small and medium-sized businesses that need an affordable, space-saving All-in-One desktop solution.

2 Small and medium-sized businesses that are concerned about productivity as well as security features for sensitive data.

3 Small and medium-sized businesses that are looking for convenient features such as integrated handle, and integrated camera and speaker.
