SMALL YET MIGHTY

ThinkCentre M625q Tiny
POWERFUL PERFORMANCE AND GRAPHICS CAPABILITIES IN A COMPACT MACHINE

The ThinkCentre M625q Tiny comes with 7th Gen AMD processors and DDR4 memory that helps carry out intensive business tasks with ease, such as handling large files, multitasking and rich content creation.

- **Performance**: better user experience with up to 50% increase in boot time
- **Responsiveness**: power up in a flash, load files even faster and avoid frustrating delays, with PCIe SSD storage that’s up to 80% faster than previous technologies
- **Productivity**: ThinkCentre Tiny supports up to 2 independent displays, with AMD Eyefinity Technology

1. AMD Eyefinity technology supports up to three DisplayPort monitors with select AMD PRO A-Series APUs. Supported display quantity, type and resolution vary by APU model and system design; confirm specifications with the system manufacturer before purchase. To enable more than two displays, or multiple displays from a single output, additional hardware such as DisplayPort-ready monitors or DisplayPort 1.2 MST-enabled hubs may be required. A maximum of two active adapters is recommended. See www.amd.com/eyefinityfaq for full details.

ACCESSORIES

- **ThinkVision T22i-10 Monitor**
  Pair your Tiny PC with a ThinkVision monitor for brilliant display, stylish versatility and fast connectivity.

- **ThinkCentre Tiny Clamp Bracket Mount Kit**
  Efficient and secure monitor mounting solution for your Tiny PC.

**FEATURED ACCESSORIES**

ThinkVision T22i-10 Monitor  
(61A9MAR1xx / 61A9MAT1xx)  
The ThinkVision T22i-10 monitor has a black and concise appearance with a full-function ergonomic stand. It offers a clear display of 1920x1080 resolution with a near edgeless IPS-type screen, providing vivid images from a wide viewing angle. With built-in power and the rich connectivity of VGA, HDMI and DP, T22i-10 meets diverse connection demands. T22i-10 also has 4 USB3.0 ports that offer quick charging for your USB devices. Its full-function stand lifts, tilts, pivots CCW/CW 90° and swivels for ease of use.

ThinkCentre Tiny Vesa Mount  
(4XF0N03161)  
The ThinkCentre Tiny VESA Mount II is a unique design specific to house the Tiny PC while featuring the universal VESA mount configuration. The VESA standard enables this mount to attach to anything that is VESA compatible for the utmost in mounting flexibility. This versatile mounting device can be used separately or combined with other options for secure mounting functionality.

ThinkCentre Tiny Clamp Bracket Mount Kit  
(4XF0N82412)  
The ThinkCentre Tiny Clamp Bracket Mounting Kit II is a new mounting solution that provides an efficient and secure monitor mounting solution for your Tiny PC.

**RECOMMENDED SERVICES**

**Premier Support**  
Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

**Keep Your Drive**  
Allows you to retain your hard disk drives, improving data security and potentially alleviating civil liability risks for organizations handling sensitive information.

**Warranty Upgrade to Onsite**  
Maximizes PC uptime and productivity by providing convenient, fast repair services at your place.
