ThinkPad® A275

## MOBILE CAPACITY FOR REAL BUSINESS.

The road is your office. There's no place you'd rather be. So your business laptop has to be as agile and productive as you are. The ultralight ThinkPad® A275 provides the multitasking power and proven reliability to keep you at the top of your game. With the AMD hardware-level security and fingerprint reader, potential hackers are kept at bay. Rich AMD onboard graphics add professional-level creativity to your capabilities, so you can generate "wow" with words and images. Wherever the road leads you, the ThinkPad A275 empowers you to feel right at home.

### FEATURED ACCESSORIES

#### ThinkPad Professional Backpack (4X40E77324)

This sleek and modern professional backpack offers durable materials and intelligently designed organization. Special features include a hidden security pocket in the back panel and a padded soft-lined compartment for glasses or other valuables. Checkpoint-friendly TSA feature helps you go through airport security faster. Also includes side water bottle holder and side accessory pocket.

#### Laptop Privacy Filter from 3M (0A61769)

The 3M Privacy Filters utilize the patented 3M microlouver privacy technology so only persons directly in front of the display can clearly see the image on screen. Passersby, or those viewing from an angle, see only a blank, dark screen. A unique attachment system keeps the security filter in place even when the laptop is closed.

#### ThinkPad USB-C Dock (40A90090xx)

This universal docking solution ensures a productive workstation experience. Meet all your productivity needs, including video, data, and wired network, all while delivering continuous power to
