ThinkPad® A475

## BUSINESS-READY, BUSINESS-SECURE.

You never compromise. Neither should your laptop. The no-nonsense power of the ThinkPad® A475 lets you ramp up your productivity, whether you're in the office with coworkers or on the road with customers. As you start each day, your to-do list doesn't need to be linear—because multitasking is made easy with AMD Pro manageability. And with processor-level security added to Windows Hello and fingerprint reader features, your data is locked down from the moment you power up. With the ThinkPad A475, your professional capabilities meet their match, allowing you to stay nimble and focused on the win.
