ThinkPad A485

ADD POWER AND PRODUCTIVITY TO YOUR BUSINESS

The ThinkPad A485 combines uncompromising power with ultra-portability and solid security. Whether in the office or on the road, your professional capabilities meet their match with these business-focused laptops. The AMD Ryzen™ PRO Mobile Processor makes multitasking a breeze while AMD Radeon™ Vega Graphics card enhance creative capabilities. The 10.7 hours* battery life ensures uninterrupted efficiency whether you're on the move or at your desk. The mechanical side docking that provides multiple connectivity options improves productivity. The intuitive full-HD display with multi-touch (optional) is sure to make work more effective and interactive. The Glance eye tracking improves multi-monitor productivity with a slight head and eye movement. Security features like the IR Camera for Windows Hello facial recognition, and the Match on Chip Touch Fingerprint Reader for secure login, let you work without hassles. Also, never lose access to data with the Global LTE-A feature, even while on the go.
