LENOVO® ACCIDENTAL DAMAGE PROTECTION

PENNIES-A-DAY PROTECTION FOR NON-WARRANTED DAMAGE

PROTECT YOUR PC FROM THE UNEXPECTED.

With today's highly mobile users, the unexpected is bound to happen, even to exceptionally engineered PCs. Lenovo's mobile repair data indicates that up to 25% of users will experience non-warranted damage within the first three years of the PCs life cycle. Accidental Damage Protection offers 28% savings versus uncovered notebook repairs.

PREDICTABLE BUDGETS

A single, upfront investment allows accurate prediction of yearly budgeted PC system repair costs.

QUALITY ASSURANCE

ADP is performed by Lenovo trained technicians using Lenovo Qualified parts reducing the need for re-repair.

COMPREHENSIVE REPAIRS

Lenovo's comprehensive diagnostic tools can identify hidden damage that may have otherwise gone untreated.

SIGNIFICANT SAVINGS

Accidental Damage Protection saves you significantly relative to the cost of repair or new system. Users typically save between 28-80% depending on machine and repair.

DID YOU KNOW?

Standard warranty terms and conditions don't cover accidental damage. With Accidental Damage Protection, if the PC is not damaged beyond repair, the end users' own PC is returned. If repair is not possible, the entire system will be replaced at no additional charge¹.

WHAT'S TYPICALLY COVERED?²

Accidental drops, spills, bumps, and structural failures incurred under normal operating conditions or handling, including electrical surges and damage to the integrated LCD screen. If you have Onsite warranty coverage, you may qualify for Onsite ADP repairs³.

Examples:

- Your system accidentally slips off the table and the LCD screen cracks
- An electrical surge causes significant damage to your PC's hardware during a lightning storm
- The coffee spills on the keyboard and the extent of damage is unknown

WHAT'S NOT COVERED?

Cosmetic damage⁴, equipment loss or failures due to usage outside of normal operating conditions. Any data loss or interruption of business, intentional damage and misuse, removal or alteration of parts, accessories, theft, damage from fires, damage to peripherals or third-party products, even if sold by Lenovo.

Examples:

- The outer case cracks but your system still operates effectively
- You've left your PC behind on the subway.
- The system is used in the rain, and you lose an entire day of productivity because your PC no longer functions
- The stylus or battery is misplaced

WHY ACCIDENTAL DAMAGE PROTECTION?

Benefits:

- Based on a sample of Lenovo claims, Accidental Damage Protection can save, on average, 28% versus the typical cost of notebook repair, and 75 – 80% for Tablets (ADP available on ThinkPad® Tablets only).
- Typical replacement costs for commonly damaged components:

System Board up to 450 EUR	DVD Drive 180 EUR	Display 450 EUR
Hard Disk Drive 200 EUR	Damaged tablet 220 EUR for minor repairs and up to 450 EUR for replacement of multiple parts	

- IT Departments don't have to purchase and manage spare inventory to fix damaged PCs.
- Lenovo's comprehensive diagnostic tools can identify hidden damage that may have otherwise gone untreated.

Lenovo offers a comprehensive portfolio of services supporting the entire lifecycle of your PC. For more information on Accidental Damage Protection or any of our service offerings, please call your Lenovo Sales Representative or visit: www.lenovo.com/services

Lenovo Services.

¹ Limitation of one replacement product. If the cost per claim exceeds the price of the product, the product will be replaced. Tablet claim cap: limited to one claim per 12 months. ² This service is available in the country or region in which you purchased your Accidental Damage Protection coverage, and is not transferable should the system travel to another country. ³ If you are entitled to Onsite warranty service under the Limited Lenovo Warranty, and the Service Provider determines your Product can be repaired at your location, then the Service Provider will repair or exchange your product at your location. Some repairs may need to be completed at a service center. If so, the Service Provider will send the product to the service center at its expense. If you purchase an Onsite Warranty with Accidental Damage Protection, Onsite service level repairs will be limited to LCD and non-customer replaceable keyboards. If we cannot complete the repair at the first Onsite visit, then the system will be shipped to Lenovo's Service Center to complete the repair. Onsite service may not be available in all regions. Effective December 1, 2012. ⁴ Cosmetic damage, e.g.: scratches, dents, or cracks that do not affect the product's functionality or structural integrity.
