LENOVO® SERVICES

3-YEAR SEALED BATTERY WARRANTY

A BETTER BATTERY DESERVES BETTER PROTECTION

Lenovo's ThinkPad ultrabooks and selected ThinkPad Tablet products incorporate a battery specifically designed for ultra-thin products¹. This sealed non-Customer Replaceable Unit (non-CRU) battery is designed to last three years under normal usage², and with RapidCharge technology, charges 2.5 times faster than typical ThinkPad batteries.

Doesn't a better battery deserve better protection? Extend your 1-year base warranty to a 2 or 3-year Sealed Battery Warranty³ (available with warranty extension). A low upfront cost provides significant savings relative to a non-covered battery replacement, and saves the hassle and frustration of dealing with unplanned IT expenses.

BENEFITS

- Low upfront cost is significantly less than that of a replacement not covered by an extension policy
- Fixed cost solution to prevent unexpected repair costs
- Combined with Onsite⁴ or Expedited Depot⁵, a Sealed Battery Warranty will prevent the hassles and frustrations of system unavailability
- Be assured of an effective and efficient battery replacement with Lenovo-certified technicians
