This declaration of conformity is issued under the sole responsibility of the manufacturer.

Object of the declaration: Listed above.

The object of the declaration described above is in conformity with the relevant Union harmonization legislation:

- **Council Directive 2014/35/EU relating to the making available on the market of electronic equipment designed for use within certain voltage limits.**
- **Council Directive 2014/30/EU relating to electromagnetic compatibility.**
- **Council Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment as amended by Directive 2015/863/EU.**

References to the relevant harmonized standards used, including the date of the standard, or references to the other technical specifications, including the date of the specification, in relation to which conformity is declared:
